Dear Mr. Phillips:

PERMITS 11885, 11886 AND 11887 (APPLICATIONS 234, 1465 AND 5638) OF U.S. BUREAU OF RECLAMATION (RECLAMATION), SAN JOAQUIN RIVER IN MADERA AND FRESNO COUNTIES

On September 30, 2010, the State Water Resources Control Board, Division of Water Rights issued Order WR 2010-0029-DWR, which approved the temporary transfer of water and change petitions filed by Reclamation pursuant to Water Code sections 1725 and 1707 for Permits 11885, 11886 and 11887. It has come to our attention that three of the proposed points of diversion were inadvertently omitted from the order. The enclosed order corrects the typographical error.

Katherine Mrowka is the senior staff person presently assigned to this matter. If you require further assistance, Ms. Mrowka can be contacted at (916) 341-5363.

Sincerely,

James W. Kassel
