Re: Transmittal of the 2014 Restoration Administrator Annual Report

In accordance with the provisions of the San Joaquin River Stipulation of Settlement (Settlement), please find attached the 2014 Annual Report to the Settling Parties. Given my relatively recent tenure on the Project, I chose to prepare this final version of the report with only minimal review and input on draft versions of the report from the Parties.

I look forward to working with you in the coming year. Please feel free to contact me with questions or comments.

Regards,

Tom Johnson
Restoration Administrator
