

October 3, 2011, Reach 4B/Bypass Landowner Meeting

## **Reach 4B, Eastside/Mariposa Bypass Channel and Structural Improvements Project**

A landowner workshop to outline and discuss development and implementation of the Reach 4B, Eastside/Mariposa Bypass Channel and Structural Improvements Project will be held October 3 at San Luis Canal Company. The Project is one of the Restoration Projects identified for implementation in the Settlement and in Federal legislation that authorized the Settlement. Your comments and input are valued and appreciated.

### **Tentative Agenda:**

- **General Program Update**
- **Action Items from Previous Meetings**
- **Field Activities and Access**
- **Reach 4B Project Initial Concepts**
  - Potential layouts for initial concepts
  - Initial maps and alignments for initial concepts
  - Process to develop required quantities of rearing habitat
- **State Lands Commission Update**
  - Process Overview
  - Compilation Plats
  - Next Steps and Timeline
- **Landowner Information Sharing**

**When:** 8:30 – 11:30 a.m., Monday, October 3, 2011

**Where:** San Luis Canal Company  
11704 Henry Miller Ave.  
Dos Palos, CA 93620-9748
